Knight declines $250,000 salary

LUBBOCK — Bob Knight told Texas Tech he wouldn't accept his $250,000 coaching salary this year because his team failed to live up to its expectations — and so did he.

"He has standards," Texas Tech men's basketball spokesman Randy Farley said Monday. "He just didn't meet his standards, and so he said, 'I don't think I should be paid for that.'"

Tech (16-11, 6-10 Big 12) is the No. 7 seed in the Big 12 conference tournament in Dallas and plays Baylor on Thursday night.

"I'm just not at all satisfied with what transpired with our team in terms of our fundamental execution," Knight told The Dallas Morning News for its online edition. "I don't think it's anybody's fault but mine.
